The Eli Foundation “YOU CAN’T SPEND TIME WITH MONEY” Is a 501c-3 Corporation that supports pediatric leukemia families through a variety of program services. Revenue for The Eli Foundation is raised via the foundations many COMMUNITY OUTREACH and PROFESSIONAL SPEAKING/VOCALIST VENUES. This year’s program debuts are its, “MAKING A DIFFERENCE” Corporate and Retail Program & THE SAFEHAVEN HOUSE “Caregiver Pampering Program.”

The SAFEHAVEN HOUSE offers a 3DAY/2NGT Privately hosted, Luxury Stay for TERMINALLY ILL PEDIATRIC & HOSPICE family CAREGIVERS. Children’s hospital socialwork teams and Hospice Centers throughout the United States and Canada will be nominating CAREGIVERS in need of the “REFUGE GIFT” this getaway provides the weary during the most difficult and trying time of their lives. The SAFEHAVEN HOUSE project is being birthed RIGHT HERE IN VOLUSIA COUNTY and is proudly sponsored by its “MAKING A DIFFERENCE” Sponsors both locally and nationally in an effort to REFRESH CAREGIVERS so they can return to their children and continue their journey.

This year’s goal is to hold hands with as many charitable individuals and family owned local and national businesses as possible so that The Eli Foundation “You Can’t Spend Time With Money” may RAISE THE REVENUE NEEDED to support its AML PEDIATRIC LEUKEMIA FINANCIAL GIFTS as well as the needs surrounding the THE SAFEHAVEN HOUSE “Caregiver Pampering Program” property and the OUTREACH AND REFUGE it provides throughout the year. WE NEED YOUR HELP TODAY! Your contributions and sharing these amazing programs and their need of support, we can, as the foundations founder challenged us to do, “MAKE A DIFFERENCE RIGHT WHERE WE STAND!”
